

RHYMNEY VALLEY SNOOKER LEAGUE

Annual General meeting

Thursday 18th August 2022

Opening address: The meeting was opened by the Chairman Ashley Galliers who stated that he was hopeful that there would be no interruptions to the coming season. There were no teams leaving the league but there were one or two joiners.

The recent presentation night appeared to be a success.

He informed the meeting that no matters or motions had been put forward prior to the meeting

Apologies Mr Philip White Whitbread.

Attendance register There was only one team non attendance – Red Triangle A

The minutes of the previous AGM were read by the Secretary and accepted as a true record

There were no matters arising

Election of Officers It was proposed and seconded that the current officers remain in post.

Chairmans Report

Ashley Galliers stated that there were some amendments proposed to the rules and constitution which would clarify matters which had occurred during the last season. He asked delegates to look at the clarifications and any items for discussion to be raised in the next delegates meeting. These amendments would hopefully clear up any previous ambiguity.

Rob Watkins added 'we all know the rules it was just the awkwardness of some individual that caused the issues'

Secretary's report The only thing that the Secretary stated was that could team captains included telephone contacts and e mail contacts to the team registration sheet. This would assist greatly to make contact with teams throughout the season.

Treasurers report

Brian Crook had circulated a current balance sheet to delegates and gave further details of future sponsorship. There was still some outstanding monies from last season amounting to £174.00..Brian stated that he had secured sponsorship again with Molston Coors

It was proposed that league entry fees remain the same at £42 per team.

He also proposed a new fines structure to deter persistent offenders. The fines structure was set out in the delegates pack but in brief

- 1st missed meeting £5 (as previous)
- 2nd missed meeting £10 (as previous)
- 3rd missed meeting £20 plus loss of 1 point
- 4th missed meeting £30 plus loss of 2 points

Following discussion and a counter proposal to deduct 2 points at the 3rd missed meeting, voting carried through the original proposal.

All outstanding monies must be paid by the 31st December of each season

It was discussed that the cup round be played on a home and away 2 leg basis as in the Merthyr League.. This was favourable and also a consolidation cup for losers in the first round.

The first match of the season is scheduled for the 14th September 2022.

Two new teams have requested entry to the league Beech Tree Ystrad Mynach and the Aberfan Hotel.

Next meeting for payment of registration fees Thursday 8th September 2022.

There was no further business and the meeting closed at 8.15pm.
